12 FURTHER DIRECT EXAMINATION

13 BY MR. BENNETT:

14 Q. Mr. Murray, on the date in question,

15 December 13th, 2000, did you have any problems or concerns  
16 with Chad Kister?

17 A. No. As a matter of fact, when I arrived at the  
18 hearing, I sat down next to him before I was called to the  
19 witness stand.

20 Q. And the reason why you have your neck brace on  
21 now is not because you need it but because we are going to  
22 do a demonstration later; correct?

23 A. Yes.

24 Q. Did you have any problem with Chad Kister prior  
25 to the hearing?
